

Declaration of acceptance of the General Terms and Conditions for requesting international freight train paths through the Corridor-OSS of the RFC5, Baltic - Adriatic Corridor

Considering that:

- the RFC5 is a EEIG European Economic Interest Group incorporated under the Law of Italy and with registered seat in via Trento 38, Venice, Italy;
- the RFC5 Corridor-OSS (C-OSS) acts on behalf of the Infrastructure Managers (IMs) which are members of the same Corridor;
- the applicant intends to request in the timetable 2019 international paths within the scope of the Short Term Capacity Pilot as described in Annex 4.G of RFC5 Corridor Information Document (CID) Book IV TT2019.

The applicant declares:

- that has read, understood and accepted the RFC5 CID and, in particular, its Book IV which states the procedures for requesting and allocating international freight train paths through the C-OSS;
- that complies with all conditions required by applicable legislations and by the IMs involved in the freight train paths it requests including all administrative and financial requirements;
- that shall provide all data required for the freight train path requests;
- that accepts the provisions of the National Network Statements applicable to the freight train path(s) requested.

The present acceptance is valid from its signature date until 14th December 2019.

By signing these General Terms and Conditions, I accept the provisions above,

Date,
